Thanks, we just finished an issue paper for you and Shaun that hopefully provides a bit more clarity on this cost issue. I think Lorie in OGC was going to give it to you but here is an advance copy.

Have a safe trip home and congrats on the nomination (you are a fantastic choice).

Carl--sorry for the excitement in the last couple of days. we missed your counsel the other night, to keep us going down a rabbit hole.

This is a tough one, as well as a long one.

Janet

Attached is the current draft of the WY RH final action. It still include lots of comment bubbles and RLSO as the team is still continuing their final edits. We have not made any changes to the cost sections to address recent discussions.

It's a long one (679 pages, a new record for the Region I think). Most of the pages are in response to comments, but you can focus on the intro sections.

Thanks for taking a look.
